INDEPENDENT AUDITORS' REPORT

To
The Members of Innomet Advanced Materials Limited

Report on the audit of the financial statements for the year ended 31st March 2025

Opinion

We have audited the accompanying statements of year-to-date standalone financial results of **Innomet Advanced Materials Limited** ("the Company") for the year ended March 31, 2025 (the statement"), attached herewith, being submitted by the company pursuant to the requirement of regulation 33 of the SEBI (Listing Obligation Disclosure Requirements) regulations, 2015, as amended (the "Listing Regulations").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements is presented in accordance with the requirements of Listing Regulations in this regards and give a true and fair view in conformity with the applicable accounting standards and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025, its profit for the year ended on that date.

Basis for opinion

- We drew the attention to the Note 3 of the statement which states that the Company has implemented an automated system for preparing and maintaining the fixed assets register in the financial year 2024-25, and noted that due to the incorrect estimate of life of assets and incorrect calculation, depreciation amounting to Rs. 27.47 Lakhs has been under charged.*

In order to correct the above discrepancy, the Company increased the accumulated depreciation amounting to Rs. 27.47 Lakhs through reserve and surplus account in the current financial year. Our conclusion is not modified in respect of this matter.
- We drew the attention to the Note 4 of the statement which states that the Company has incorrectly valued the inventory amounting to Rs. 286.68 Lakhs as on March 31, 2024 by considering the cost including Goods and Services Tax instead of only cost. Also the Semi-finished and finished goods were incorrectly valued at market price instead of cost or market value, whichever is lower.*

The company has corrected this discrepancy in current financial year by adjusting value of change in inventory and reserve and surplus. Our conclusion is not modified in respect of this matter.

We conducted our audit in accordance with the standards on auditing specified under section 143 (10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Company in accordance with the code of ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the code of ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Management's responsibility for the financial statements

This statement which includes the standalone financial results is the responsibility of the company's board of directors and has been approved by them for the issuance. The standalone financial results for the year ended March 31, 2025, has been complied from the related audited standalone interim financial information. This responsibility includes the preparation and presentation of the standalone financial results for the year ended March 31, 2025 that give a true and fair view of the net loss after tax/ net profit after tax, respectively and other financial information in accordance with the recognition and measurement principles laid down in the Accounting standards prescribed under section 133 of the act read with relevant rules issued there under and other accounting principles generally accepted in india and in compliance with regulation 33 of the listing regulations.

This responsibility also includes maintenance of adequate accounting records in accordance with the provision of the act for safeguarding the assets of the company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial results that give a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

The statements includes the result for the year ended 31st march 2025, being the balancing figure between audited figures in respect of the full financial year and the published year to date audited figures upto the first half of the current financial year. our report on the statement is not modified in respect of this matter.

The audited standalone financial results for the year ended March 31, 2024, were reviewed by another auditor whose report dated August 26, 2024 expressed an unmodified conclusion on that Statement.

Our conclusion is not modified in respect of this matter.

Date: May 29, 2025

Notes to the Standalone Financials Results:

1. The above results have been reviewed by the Audit Committee and approved by the Board of Directors at their respective meetings held on May 29, 2025.
2. The figures of second half year are the balancing figures between audited figures in respect of full financial year up to March 31 and the unaudited published year-to-date figures up to September 30, being the date of end of the first half year of financial year which were subjected to limited review.
3. The Company has implemented an automated system for preparing and maintaining the fixed assets register in the financial year 2024-25, and noted that due to the incorrect estimate of life of assets and incorrect calculation, depreciation amounting to Rs. 27.47 Lakhs has been under charged.

In order to correct the above discrepancy, the Company increased the accumulated depreciation amounting to Rs. 27.47 Lakhs through reserve and surplus account in the current financial year.

4. The Company has incorrectly valued the inventory amounting to Rs. 286.68 Lakhs as on March 31, 2024 by considering the cost including Goods and Services Tax instead of only cost. Also the Semi-finished and finished goods were incorrectly valued at market price instead of cost or market value, whichever is lower.
The company has corrected this discrepancy in current financial year by adjusting value of change in inventory and reserve and surplus.
5. The Company have 2 product segment i.e. Metal powder and tungsten heavy alloy, therefore segment reporting is applicable but except the revenue from operation the company has not maintained the data for the segment reporting, however from the financial year 2025-26 the company have implemented the system for the maintaining the segment wise data of Profit and loss, Assets, Liabilities and revenue.

Segment revenue of the company is as per the below:

Particular	Half year ended		Year Ended		
	March 31, 2025	September 30, 2024	March 31, 2024	March 31, 2025	March 31, 2024
1. Segment Revenue					
a) Metal Powder	1,472.94	1,078.04	850.13	2,550.97	1,973.64
b) Tungsten heavy alloy	315.34	386.19	324.46	701.53	515.95
Total	1,788.28	1,464.23	1,174.59	3,252.50	2,489.58
